

# Do you want your taxpayer dollars paying for abortion?

If your answer is NO, then vote YES on Amendment 1 on Nov. 6

- West Virginia taxpayers have paid nearly \$10,000,000 for 35,000 elective abortions.
- Only 16 other states in the nation require taxpayer funding of abortion.
- When Amendment 1 passes, your tax dollars will continue to fund rare cases of threats to the life of the mother, medical emergency, reported rape and incest and fetal anomaly.
- Abortions WILL STILL BE AVAILABLE when Amendment 1 passes in the November election.
